Advance & Applied Research in Globalization of Business & Trade – A Multidisciplinary Research Approach (IC-AARGBT-MRA-2024)

18 May 2024

International Conference on Advance & Applied Research in Globalization of Business & Trade – A Multidisciplinary Research Approach will be held online. The conference provides a global platform for researchers, academicians, and industry experts to explore advancements and applied research in business and trade in a globalized context. It aims to foster interdisciplinary collaboration, knowledge sharing, and innovative solutions to challenges in international business, economics, and trade. Participants will gain insights into strategic decision-making, market expansion, and trade policies influenced by globalization. The conference features keynote sessions, paper presentations, panel discussions, and interactive workshops. It emphasizes sustainable practices, digital transformation, and innovation-driven competitiveness in global business. Call for Papers is open to researchers and practitioners contributing to theoretical and applied research across business, trade, and allied disciplines.

The Virtual International Conference (**Advance & Applied Research in Globalization of Business & Trade – A Multidisciplinary Research Approach (IC-AARGBT-MRA-2024)**) is scheduled on September 09, 2023 – September 10, 2023 through Google Meet Platform. The central motive of the International Conference is to throw up a number of new ideas and solutions to address the present-day challenges in the fields of Engineering, Economics, Computer Science, Management, Mathematics, and Social Science & Technology. The scope of the conference is broad and covers many aspects of international research prospective. This conference aims to provide a scholarly platform for participants to publish their research in reputed International Journals. The authors have incredible opportunity to present their research virtually and present their findings worldwide that will not only help them gain the necessary exposure that they need to make their research work known in global scientific circles but also open the door to incredible opportunities for collaboration and conducting further research.
